

## Support Transformation: Rebuilding Lives through Supported Housing for Young Homeless People

### Introducing Our Rental Bursary Scheme

At Korban, we believe in the power of providing young people with a home and support as a transformative force to enable them to overcome homelessness and live independently. Our Supported Housing Project is designed to provide a stable foundation for the future, and we invite you to be a part of this impactful initiative through our Rental Bursary Scheme.

"Korban saved my life...  
you took me under your  
wings and guided me to  
the man I am today"  
Ali, aged 20

### WHY GIVE?

#### 1. Social Impact:

- **Break the Cycle of Homelessness:** Your giving will contribute to breaking the cycle of homelessness among young individuals, offering them a chance to rebuild their lives, realise their potential and thrive.
- **Empowerment Through Holistic Support:** By providing stable housing, resources, support and guidance we enable our residents to develop the character, skills and confidence to live independently. They pursue education, training, employment and/or voluntary work, setting them on a path to self-sufficiency.

#### 2. Community Building:

- **Strengthen Communities:** By making a financial contribution to Korban's Supported Housing you help to foster community growth through reintegrating young people into society, which has a hugely positive impact on neighbourhoods.
- **Promote Social Responsibility:** Demonstrate your commitment to social responsibility by supporting a cause that directly addresses homelessness, a critical issue in our communities.

#### 3. Business Returns:

- **Positive Brand Image:** In addition to the social returns, aligning your brand with a socially responsible initiative enhances your company's reputation and can attract socially conscious customers and partners.

## **How the Rental Bursary Scheme Works:**

1. Sponsorship: Contribute to our Supported Housing Project through a one-time donation or regular contributions.
2. Bursary Allocation: Your giving will be utilised to provide rental bursaries to our newly employed young residents, ensuring their supported housing remains affordable as their benefits begin to lessen / stop.
3. Impact Reporting: Receive regular updates on the progress of the project, including success stories of individuals whose lives have been positively impacted through the scheme.
4. Visibility: Gain recognition as a key supporter of our initiative through various channels, including events, publications, and our website.

### **Making a Difference, Together:**
