Do you want to play a key role in an innovative local charity helping young homeless people?
Do you have the passion and skills to help them transition to living independently?

Colchester Korban Project has provided supported housing for 16-25 year olds since 2008. We are a dynamic and caring Christian charity that helps the young people we look after feel like they have a home again. 80% of our residents move on positively, including 5 going to university over the last 6 years.

We seek a part-time Move-on Project Worker to join our dedicated team. You must be an excellent communicator with young people, calm and approachable, and able to handle various issues (housing, education, employment, benefits, mental and emotional wellbeing). You will support life-skills development and occasionally help to cook and serve communal meals.

You will meet with 3 residents on a weekly basis for support meetings and additional help when required. It is essential that you are able to work competently on a computer with Microsoft packages, inputting data and keeping concise and accurate records. You will also monitor the safety and security of the Move-on house, implementing improvements and maintenance as needed. Risk assessment, safeguarding, and maintaining professional boundaries are integral to the role.

Every day can bring fresh challenges at Korban so you will need to be flexible, creative and a team player. We are looking for someone who has the passion and commitment to make a difference in vulnerable young people's lives. You will also need to be sympathetic to the Christian origins and able to uphold the Christian ethos of Korban. The successful candidate will be subject to a satisfactory enhanced DBS check and 2 references.
